

Overview

The new Albutt Weight Box range combines the benefits of a heavy weight block and the practicality of a tool box in one unit. Available in 4 sizes; 750kg, 1000kg, 1200kg and 1500kg the box provides traction for most working environments. Lifting the gas strut lid reveals the large tool storage area, ideal for storing a variety of items during those long field days. As standard, the box comes in black, with a red lid, galvanised 'Albutt' logo plate and red/white chevrons.
