

HIGH CAPACITY WOOD CHIP BUCKET

Overview

The Albutt high capacity wood waste bucket is ideal for customers wanting to move large volumes of material such as wood chip. The heavy duty bucket features internal strengthening gussets, full length corner gussets and a high grade weldmesh spill guard. A boron 500 bolt on reversible toe plate is fitted as standard.

Features

- Integral spill guard – see through
- Bolt on cutting edge – 500 Brinell reversible for long life and low maintenance
- Heavy duty design
- 8mm body with 15mm stiffeners to sides, under brackets and floor
- Full depth internal gussets
- Suitable for handling large quantities of low density wood waste including dry woodchip
- A part of the OPTIMUS-8 heavy duty bucket range
- Full depth internal side gussets
- Internal vertical strengthening gussets
- Heavy duty welded bracket profiles
